RESTAURANT STATEMENT

Thank you for choosing Robert's Restaurant as your breakfast or lunch experience. We truly appreciate your business and are glad you made us your choice. At Robert's, we pride ourselves on great service and great food! Being in business since 1978, we continually strive to adapt to the ever changing food business. One thing that we will NEVER change is the quality of food that we serve. At Robert's we do not believe in premade/boxed foods. We make all our breads from scratch, grind and tenderize our own meats, and make all of our pie crust from scratch. We cut all potatoes in-house as well as cut our own cabbage and make in-house coleslaw dressing. If you are looking for food uniformity, you will not find it here. If you are looking for quality "made from scratch" food that tastes great, then you are in the right place. Our breads have No additives or preservatives. We can tell you the six ingredients that are used in our bread. We can guarantee that our Whole Wheat bread is 100% stone ground wheat. Using the same white dough that is used to make our tasty white bread, we make our famous cinnamon rolls. The dough is made fresh daily to provide us with the best quality. All our burgers are in "house" ground using USDA certified choice top sirloin. Our Country Fried Steak is "house" tenderized and fresh breaded using choice top sirloin steaks.

Join us daily for our daily lunch and breakfast specials.

If this is your first time dining at Robert's, Welcome, if you are a long time customer Thank You for being a part of the Robert's family tradition. We are sincerely grateful for your continued business and future patronage, without you, we could not do what we do!!
